

Affordable Housing Preservation in Arizona

At-Risk Federally Subsidized Properties in Arizona

Valerie Iverson
Executive Director
Arizona Housing Alliance
February 25, 2011

Arizona's HUD Projects

Type	Number of Projects*	Number of Affordable Units*
Section 8	114	8,084
Section 202-811	93	3,717
Section 236 or 221(d)(3)	20	1,981

*This does not represent an unduplicated count since some projects receive support through more than one HUD program.

Sites

- ▲ HUD LIHTC
- Boston LIHTC

The map displays the state of Arizona with numerous locations marked by orange triangles (HUD LIHTC) and blue dots (Boston LIHTC). Key geographical features include the Grand Canyon-Parashant National Monument, Navajo Indian Reservation, Hopi Indian Reservation, and several National Forests. Major cities such as Phoenix, Tucson, Flagstaff, and Sedona are labeled. The map also shows interstate highways and other transportation routes.
