Time to Act: Investing in the Health
of Our Children and Communities

Recommendations From the Robert Wood Johnson Foundation
Commission to Build a Healthier America

*Fundamentally change how
we revitalize neighborhoods,
fully integrating health into
community development.*

*- Robert Wood Johnson Foundation Commission to Build a
Healthier America Report, 2014*

RWJF COMMISSION TO BUILD A HEALTHIER AMERICA

Support and speed the integration of finance, health, and community development to revitalize neighborhoods and improve health.

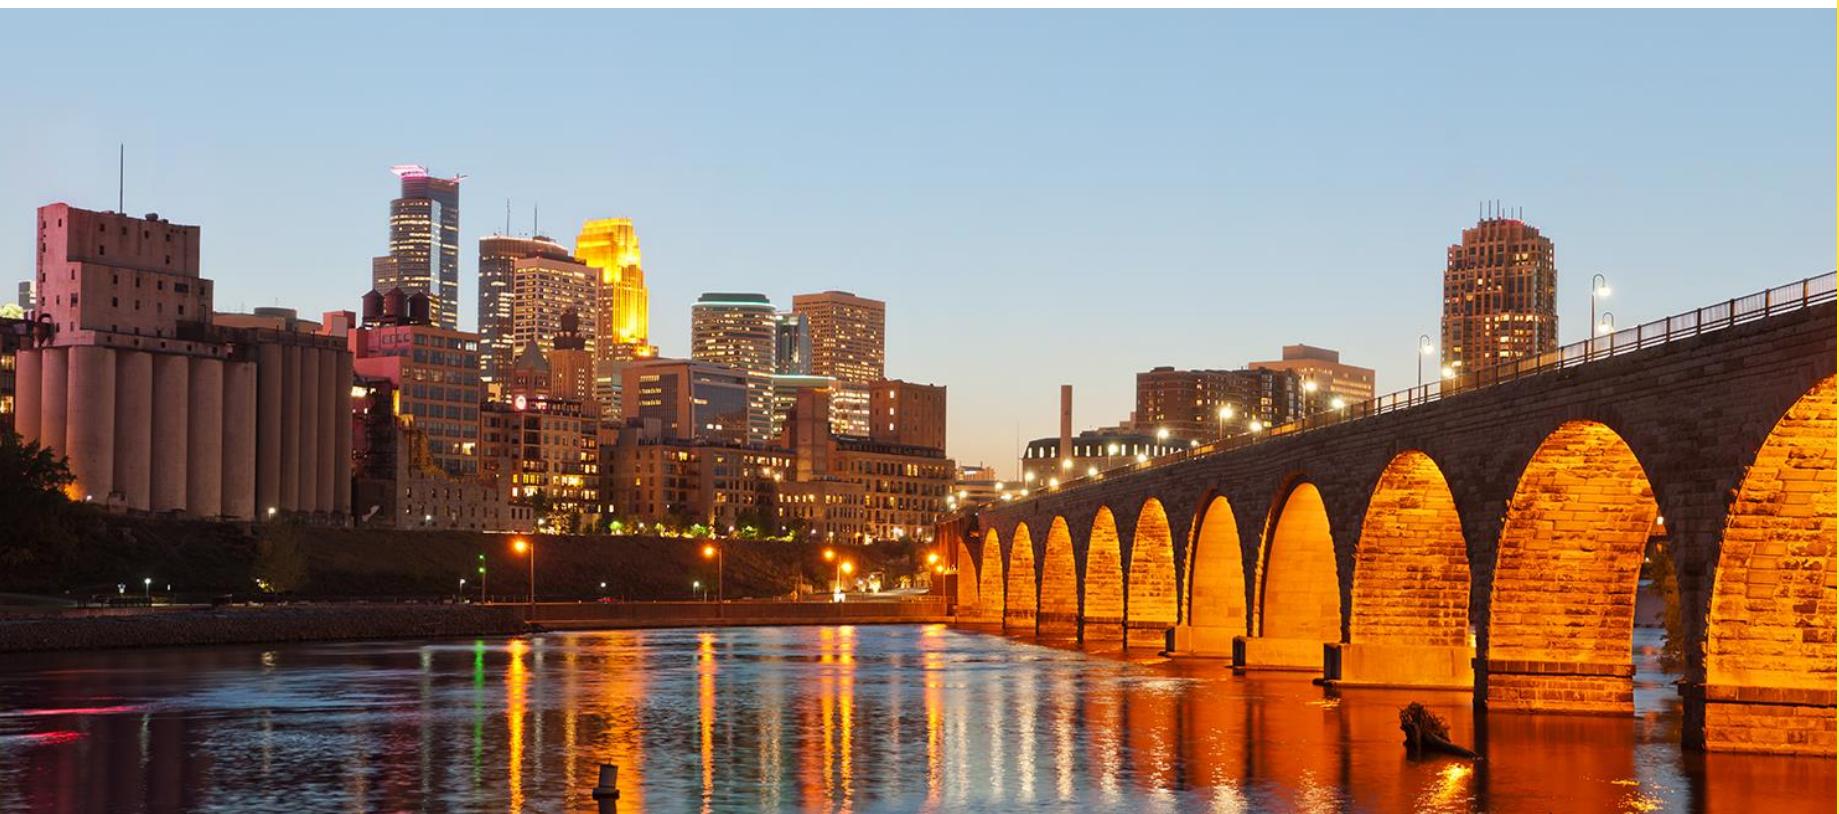

Establish incentives and performance measures to spur collaborative approaches to building healthy communities.

Replicate promising, integrated models for creating more resilient, healthier communities.
Invest in innovation.

COMMUNITY DEVELOPMENT 2.0

THE BUILD HEALTHY PLACES NETWORK

MISSION:

To catalyze and support collaboration across the health and community development sectors, together working to improve low-income communities and the lives of people living in them.

VALUES

BUILDING FOR THE FUTURE OUTCOMES IN THE NEAR TERM

Health sector will better understand and value how community development work improves health-related outcomes.

Community development sector will better understand the health-related impact and value of its work.

More cross-sector collaboration success stories in low-income communities.
