Homeless Housing Interventions

1. EMERGENCY SHELTER
2. RAPID REHOUSING
3. TRANSITIONAL HOUSING
4. PERMANENT SUPPORTIVE HOUSING

EMERGENCY SHELTER

- Light touch, refer to more intensive programs as needed
- Weekly case management
- Intense focus on exits to permanent housing
- Time-limited stay (120 days)
- Rules, curfew, program compliance
- Cost per successful exit to PH = \$16,239

RAPID REHOUSING

- Light touch
- Monthly case management
- Focus on increasing income to be able to sustain the unit
- Time-limited rental assistance (typically up to 1 year)
- Less than 8 barriers to housing
- Reasonably suspect they can sustain the unit independently after 3-6 months of assistance.
- Cost per successful exit to PH = \$8,544

TRANSITIONAL HOUSING

- More intensive services
- Weekly case management
- Extensive support services (child care, employment, life skills, vocational training, substance use counseling, credit repair, etc.)
- Focus on exits to permanent housing
- Time-limited stay (up to 2 years)
- Rules, curfew, program compliance
- Cost per successful exit to PH = \$34,719

PERMANENT SUPPORTIVE HOUSING

- Intensive support
- No time limit
- Case management as needed to remain stably housed
- Includes housing subsidy and supportive services
- Disabling condition part of eligibility
- Voluntary support services
- Focus on housing stability and community connectedness
- Cost TBD

Vista Colina Emergency Family Shelter

Vista Colina shelters homeless families in an apartment-style complex for up to 90 days. We have 12 one bedroom and 18 two bedroom units specifically for adults with children under 18. We serve approximately 800 people in the shelter each year.

At Vista Colina, each family works with their case manager to develop and implement a unique case plan to address their specific needs including employment, budgeting, savings as well as other steps toward self-sufficiency. Families must save 85% of their income for permanent housing in preparation for leaving the shelter. Working together, case managers guide clients in applying for the medical benefits and social services for which they are eligible and ensure children are enrolled in school.

The Vista Colina Emergency Family Shelter also provides food, hygiene supplies, and clothing. Our Child Development Program includes an infant nursery, an accredited preschool program, and afterschool activities for older children. By giving families a safe, stable and supportive environment, parents can focus on building life skills, securing income and rebuilding their lives.

To reach the Vista Colina Emergency Family Shelter, call (602) 944-0960.

Document & Data Collection

- Documentation of homeless status
 - Proof of identity
 - Proof of relationship with child(ren)
 - Documentation of income
- HMIS Entry created
 - UDEs
 - F-SPDAT scores
 - Documents uploaded
 - Electronic file prepared to be manually opened to receiving program.

Referral to program (not ES)

HOUSING REFERRAL

HOH Name: _____ Social Security Number: _____-____-____

S O Name: _____ Social Security Number: _____-____-____

Gender	Adults (18+)	5-17	4 & under
