OUR ACTIVITIES!

# PAST YEAR ACCOMPLISHMENTS!

## *Arizona Housing Alliance's..*

- ❖ Launched and expanded innovative educational and capacity building programs in partnership with state and local organizations.
- ❖ Achieved great advocacy success in collaboration with state and local partners.
- ❖ Expanded our programs and engagement across Arizona with communities large and small.
- ❖ Provided educational programming to over 500 people and addressed fundamental policy challenges to affordable housing in Arizona.
- ❖ In 2015 and beyond, Arizona Housing Alliance is spearheading community conversations and statewide collaborations about our community values and priorities.

# OUR IMPACT!

## *Arizona Housing Alliance's..*

- ❖ Educational programs, events and networking opportunities produce and preserve affordable housing units and produce a more professional, better experienced and stronger workforce to develop needed affordable housing.
- ❖ Connects community issues of vital concern – leads to innovative partnerships and programs that better serve our communities
- ❖ Develops training that enhances the success of homebuyers in achieving and sustaining homeownership

# OUR IMPACT!

## *Arizona Housing Alliance's...*

- ❖ Is a network and statewide voice providing needed technical assistance and influence for rural and small communities
- ❖ Advocacy work provides policy makers and executive leadership with good information to make decision, preserve and expand funding, and enact policy that makes affordable housing possible
- ❖ Produces and analyzes original research which leads to better community planning and development, stronger and more successful funding application and a better informed public

# OUR ACTIVITIES!

## *Arizona Housing Alliance's...*

- ❖ **EDUCATE** – developed the *Arizona Housing Alliance Academy* to provide training tailored specifically to member needs.
  - Rental Housing Training
  - Housing Counseling Training
  - National Speakers
- ❖ Our *Annual Healthy Communities Conference* was attended by almost 300 practitioners – event encouraged cross sector collaborations to reduce healthy disparities while at the same time improving economic and social well-being in America's most disadvantaged communities.

# OUR ACTIVITIES!

## *Arizona Housing Alliance's..*

### ❖ **ADVOCATE**

- WE CREATED *Home Matters for Arizona*, a housing report that provides an annual snapshot of the state of affordable housing in Arizona.
- WE LEAD the *Restore the Housing Trust Fund Campaign*, to restore the ONLY state resource devoted to addressing Arizona's affordable housing needs.
- WE LED *Federal Advocacy* efforts to support funding for U.S. Department of Housing and Urban Development, USDA Rural Development and the Low Income Housing Tax Credit program. We joined national campaigns to support funding resources for low and moderate income housing including the National Housing Trust Fund.

# OUR ACTIVITIES!

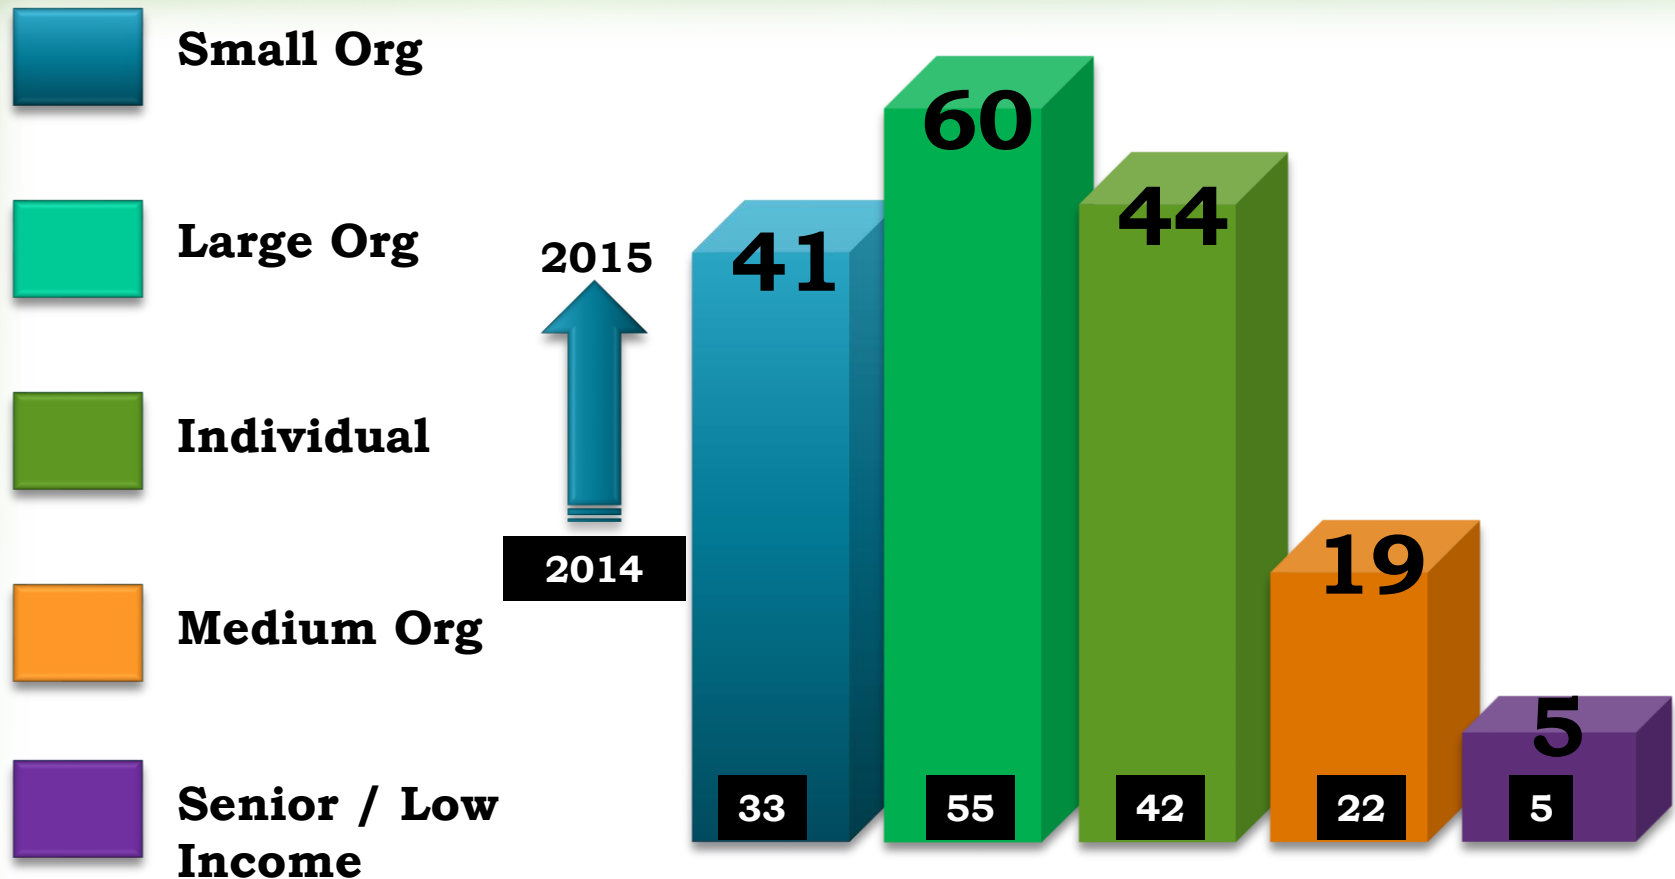

## *Arizona Housing Alliance's..*

### ❖ **COLLABORATE**

- WE HELD quarterly *Members Meetings* across the state including Phoenix, Tucson, Sedona, and Yuma – educate members on housing issues.
- We convened *Affinity Working Groups* to share ideas and build consensus on important issues.
- We continued the *Arizona Affordable Homes Network*, a collaboration among the Arizona Housing Alliance, Arizona Coalition to End Homelessness, NAHRO and the Arizona Foreclosure Prevention Task Force
- We created the *Arizona Partnership for Healthy Communities* with the Federal Reserve Bank of San Francisco, LISC-Phoenix, St. Luke's Health Initiatives, and a dozen other community development organizations.
