

2016 SILVIA URRUTIA VOLUNTEER OF THE YEAR AWARD

Martha Martin

Martha Martin has been an instrumental volunteer for Arizona Housing Alliance over the past year. A member since 2010, Martha has participated in a myriad of Alliance activities. She is a member of the Healthy Communities Conference Planning Committee where she recruited two new sponsors, identified panelists, and volunteered at the event. She is an outstanding Alliance ambassador, connecting us to Tucson area potential members. And she is always ready to help finding venues and marketing Alliance events in Tucson including our 2015 Holiday party. We thank Martha for her tireless commitment, support, and extraordinary service to Arizona Housing Alliance and the affordable housing community.
